NURTURING OUR HUMAN CAPITAL

EMPOWERING AND RETAINING OUR PEOPLE FOR A FUTURE-READY WORKFORCE THAT ENGINEERS OUR GROWTH
ZERO-EMISSION FERRIES – SOLUTIONS FOR SUSTAINABLE LIVING AND OPERATION IN THE OCEAN

As part of Sembcorp Marine’s transformation strategy, we have been investing in our human capital. Since 2013, we have supported nine employees in the Post-graduate Programme to develop R&D skill-sets on emerging energy focus and technologies. Four of our employees (below) are currently pursuing the programme related to Gas solutions.
People are at the heart of our business. We embrace the diversity and expertise that our employees bring to the Group and are committed to their growth, well-being and safety. We also respect human rights across our operations and value chain, aligning our human rights practices to various national and international frameworks. Sembcorp Marine’s philosophy of providing a conducive work environment is in line with the United Nations Sustainable Development Goals.

**OUR WORK IN 2020**

- **Fair Employment & Equal Opportunities**
  - Reviewed and updated our fair employment & equal opportunities policies

- **Employee Engagement & Well-being**
  - Set up in-house swab facilities at two of our Singapore yards
  - Refined our Flexible Benefits System implemented for our Singapore yards

- **Talent Planning & Leadership Development**
  - Updated our human rights policies to incorporate SA8000 standards
  - Our Singapore yards implemented Employer Pays Principle (EPP) for hiring of migrant workers
  - Our Aracruz yard formulated and introduced Anti-bribery and Code of Business Conduct policies
FAIR EMPLOYMENT & EQUAL OPPORTUNITIES

Sembcorp Marine enhances its commitment to long-term sustainable employment practices by fostering a “walk the talk” methodology. We promote a fair playing field in our recruiting activities and respect human rights. During the pandemic-led slowdown in 2020, we continued investing in our workforce to preserve our existing capabilities and empower them with future-ready competencies in anticipation of the global economic recovery.

NURTURING OUR HUMAN CAPITAL

291 contracts were offered in 2020 to people past the statutory retirement age in Singapore.

Operating in a traditionally male-dominated industry, we aim to close the gender gap with an increased representation of women in senior leadership roles.

14% of our Singapore executive workforce in Operations roles are female.

40% of our Singapore executive workforce in Commercial and Corporate Services roles are female.

TALENT PLANNING & LEADERSHIP DEVELOPMENT

To retain our competitive edge and stay relevant, Sembcorp Marine develops our employees into leaders and agents of positive change. We nurture a diverse leadership team that not only creates value for our stakeholders, but also inspires and propels others to greater heights.

Training and development constitute an important part of Sembcorp Marine’s efforts to build a competent and resilient workforce.

49 employees were seconded to our overseas subsidiaries.

8,485 of our workforce received performance appraisals and career development reviews.

We conducted a review of our SCM-SMU Executive Leadership Development programme in 2020.

2,988 of our employees have undergone the leadership programme.

To attract talent with specialised knowledge and capabilities catering to our business segments and geographical markets, we reach out to a wide talent pool through career talks, job fairs and outreach activities in schools, tertiary institutions and our communities.

Participated in 6 job fairs.

90 interns attached to our yards in Singapore.

37 scholarships offered to students from various institutes.
WORKFORCE CAPABILITY & COMPETENCY DEVELOPMENT

With the reduction in our local manpower pool and constraints on foreign manpower due to COVID-19, Sembcorp Marine continues to invest in the development of our human capital to equip them with the required competencies and to nurture them to their fullest potential.

Sembcorp Marine will continue to invest in productivity initiatives that leverage on good upfront designs, additive manufacturing processes, robotics and automation.

To develop and enhance our R&D capabilities, we sponsored selected employees to undergo post-graduate programme training to acquire expertise in emerging areas that are aligned to our company’s business and technology needs.

“I believe that the future of energy consumption is in clean energy and LNG is one such energy source. I was given the opportunity to further my interest with the EDB-IPP and enrolled in the engineering doctoral programme, focusing on LNG industrial safety. I would like to thank Sembcorp Marine for their support and sponsorship.”

– Mr Lim Boon How

NURTURING OUR HUMAN CAPITAL

EMPLOYEE ENGAGEMENT AND WELL-BEING

The COVID-19 pandemic has affected the global economy as well as businesses worldwide. We have put in place various measures to continuously engage our employees and ensure their well-being during this period and in the new normal.

To support the nation’s efforts in COVID-19 testing, we have set up in-house swab centres at two of our Singapore yards in 2020 that serve close to 35,000 employees. During the same period, we refined our Flexible Benefits System to ensure that our employees are sufficiently protected with core health and life insurance.

As part of our foreign workers’ welfare and inclusion programme, we organised various initiatives to support the health and well-being of our employees who stay in the dormitories during the circuit-breaker period. These include:

- Appointing dormitory room leaders to support the early detection of residents in distress and ensure adherence to safe-distancing measures.
- Participating in a green project involving the study of the effects of installing UV-C lights and ioniser plants at common toilets to reduce pollutants and airborne virus transmission.
- Organising virtual engagement activities such as drawing competitions, art & craft sessions and photo competitions.
- Initiating a mobile clinic for the welfare of our workers residing in our in-house dormitories.
- Distributing of care packs filled with essential items like hand sanitisers, masks, gloves, dry food and Vitamin C.
- Providing support to employees for their medical and personal needs, including access to remittance services.
- Promoting awareness of COVID-19 prevention among dormitory residents through drawing competitions.
- Maintaining communication and engagement with employees during COVID-19.
UPHOLDING HUMAN RIGHTS

At Sembcorp Marine, we constantly demonstrate our strong belief in upholding our pledge to human rights through our policies and practices.

In 2020, we reviewed and updated our human rights policies to incorporate SA8000 standards. We have also signed agreements with nine of our designated manpower supply agencies to implement and comply with the “Employer Pays Principle” (EPP). Our Aracruz yard in Brazil formulated and introduced Anti-bribery and Code of Business Conduct policies.
